Anyone But C. ULVERT!

ULVERT IS A SHADY POLITICAL HACK

Christian Ulvert is a shady political mercenary and the specials interests dream candidate. This is a statement of fact and is a well reported in the media and within Florida's public records.

ULVERT IS AN OPPORTUNIST OUT FOR HIMSELF

Ulvert and his husband, Carlos Andrade, have only lived in Miami Shores for less than two years.

As recently as 2017 Ulvert stated that he was seriously considering running for a State Senate seat located in Southwest Miami-Dade County (in Westchester and parts of Kendall).

If elected to the Miami Shores Town Council, Ulvert will use his title for political opportunism and to boost his business – Not for the well-being of Miami Shores and its residents.
