If You're for the Environment & Transparency... Vote Against Ulvert

As revealed by an environmental watchdog group, **Christian Ulvert is an operative and spokesperson for an entity that is operating as a "front group" for utilities** in opposition to an energy choice constitutional amendment.

"The group Floridians for Affordable Reliable Energy (FARE) spokesperson Christian Ulvert said the group is **funded by progressives and grassroots organizations that he declined to name.**"

Stephen Smith, executive director of the Southern Alliance for Clean Energy, said in a news release, "**The launch of FARE suggests that the utilities are continuing to rely on paid spokespeople and campaign operatives** rather than subject-matter experts who are needed to provide much-needed information rather than slogans and clever campaigns."

On utility and related environmental issues, how can Ulvert serve Miami Shores residents when he is a paid operative for Florida's utility industry?

If You're a Dog Lover... Oppose Ulvert

Christian Ulvert was a **paid spokesperson for dog racing** and gaming interests (Flagler Dog Track).

As a press secretary for the pro-slots political committee, **Ulvert stood on behalf of dog racing companies** in direct opposition to groups such as Grey2K USA and the Animal Rights Foundation of Florida.
